

**Crescent Point Energy Corp. is a conventional oil and natural gas company with assets strategically focused in properties comprised of high quality, long life, operated light oil and natural gas reserves in Western Canada. Crescent Point strives to create sustainable, value added growth in reserves, production, and cash flow through the execution of management's integrated strategy of acquiring, exploiting and developing reserves in the Western Canada Sedimentary Basin.**

**Job Title:** Production Foreman

**Location:** SW Saskatchewan

**Reports to:** Senior Production Foreman

The following will provide you with basic guidelines as to the duties required of this position.

**Purpose:**

The Foreman will be responsible to lead, supervise and direct day-to-day activities of crews in order to complete assigned projects. The candidate should reside in SW Saskatchewan area due to the location of the role and frequent traveling required.

**Main Responsibilities & Activities:**

- Be an active performance coach and consistently provide informal constructive feedback.
- Reward and recognize consistent strong performance in subordinates.
- Treat your personnel with respect and demand excellence in their performance
- Provide consistent, visible leadership and reinforce safety initiatives and "Zero Loss Time"
- Ensure compliance with Crescent Point's HSE program and Protection Policy as well as Regulations
- Effectively resolve job problems as they occur
- Understand costs drivers (in detail) for your area. Focus on unit cost performance
- Empower and expect your personnel to seek production optimization initiatives (decline mitigation, debottlenecking, and uptime improvement)

**Knowledge, Skills & Abilities:**

- Minimum 10 years of related oil and gas experience is required
- Grade 12 education is required
- Valid Class 5 Driver's License
- Related technical tickets are an asset
- Computer skills and budgeting experience are an asset
- Strong communication, organizational and team skills complemented with a strong work ethic
- Must be accepting and receptive to new ideas
- Facilitation skills are required
- Safety training current and up to date including: First Aid/CPR, H2S Alive, TDG/WHMIS, Fire Extinguisher Training, Ground Disturbance (level II), Defensive Driving

**Only qualified candidates of interest will be contacted**

Interested individuals should forward resume to:
