Penalty for late-filed and amended elections

An election that is filed after its due date is subject to a late-filing penalty. Form T2058 can be filed within 3 years after its due date if an estimate of the penalty is paid at the time of filing. Form T2058 can also be amended or filed after the 3-year period, but in these situations, a written explanation of the reason the election is amended or late-filed must be attached for consideration by the Minister and an estimate of the applicable penalty must be paid at the time of filing.

Calculation of late-filing penalty:

Fair market value of property transferred		
Less: agreed amount		
Difference		A
Amount A x 1/4 x 1% x N*		B
\$100 x N*		C

Where the transferred property is a partnership interest, attach a schedule of the calculation of the adjusted cost base. If space on the form is insufficient, attach schedules giving similar details. You have to designate the order of disposition of each depreciable property. With this election, you do not have to file the following materials: schedules supporting this designation; documentation relating to the responses to the questions below; and a brief summary of the method of evaluating the fair market value of each property transferred. However, you have to keep them as Canada Revenue Agency may ask to see them at a later date.
